CARRY ME

CARRY ME

VERSE

While you sleep, dream of me
I'll be keeping our memories
Living in my heart and soul
Waiting for the day
When we will be together again

CHORUS

Carry me to my love
O'er the sea to the clouds above
Where I know he's waiting for me
Carry me to my love
O'er the sea to the clouds above

VERSE

Take me away to the shining light
Over the waves peaceful at night
There among the stars glowing in the dark
You watch over me
Smiling down patiently

CHORUS

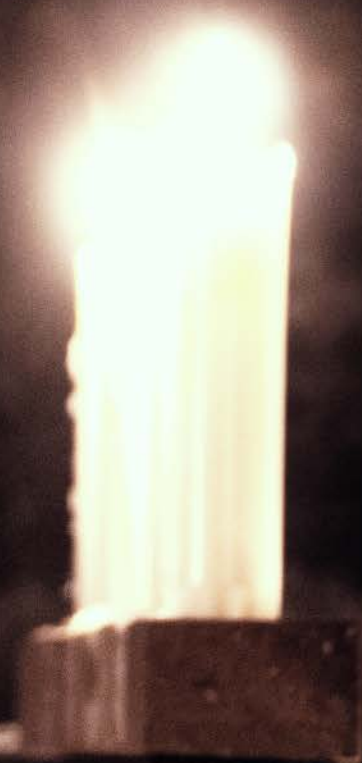

Carry me to my love...

(Instrumental section)

Mmm...

CHORUS

Carry me to my love...
